

# Pure Putt

Low maintenance synthetic golf greens for home gardens are in demand as the interest in golf throughout the world continues to rise.

TigerTurf's premium short-pile golf turf, Pure Putt, is specifically designed for residential golf greens. It provides both a true roll and a speed that is ideal for smaller home greens.

Very little maintenance is required for our turfs, so you can spend more time on your putting game.

**// Ideal for backyard golf putting**

**// Indoor compliant and fire rated**

**// Free draining, playable greens in any weather**

**// 7 year warranty**

# Pure Putt

## For the owners

- // **Free draining**, playable greens in any weather, all year round.
- // **No watering**, mowing or fertilising.
- // **Transforms** an unused area into a useful, fun and attractive feature.
- // With an effective pile height of 13mm Pure Putt has been developed to ensure the **optimum ball roll**.
- // An unused area becomes an **attractive feature** of your garden.
- // **Combine** Pure Putt with our landscape grass for a realistic chip and putt green.
- // **Certified for indoor** installation if partially infilled with sand.

## For the players

- // Looks and feels like the **real thing**.
- // True and consistent golf greens perfect for **putting practice** and improving your short game.
- // **Fun** for your family and friends on summer evenings.
